REDWOOD CITY, CALIFORNIA SATURDAY, SEPTEMBER 27, 1910

ESTABLISHED 1859

K. OF C. CELEBRATION AT PORTOLA ON SUNDAY, SEPTEMBER 28

Everything now is ready for the commemoration of the great event which takes place tomorrow, Sunday, at Portola church. The program will start at 11 o'clock with the celebration of High Mass. The sermon will be preached by Father Sullivan and the choir will be furnished by the Family Club. In the afternoon the exercises will consist of speech making, music, singing and other attractions. There is but one now living who attended the celebration of the first Mass in St. Dennis' church, in 1853, and is now living in San Jose, and is ninety-six years old, and his name is Timothy J. Doyle, and was the foreman of Dennis Martin's first sawmill erected at Portola. It is just possible that he will be present, although he has grown very feeble. He is still remembered by some of the old settlers. The silver candlesticks used at St. Dennis' church will be brought to Portola Sunday. Father Lacombe will take charge of the Portola parish on that day, and this will be the first time that Portola has had a resident pastor. It will be advisable for those who intend to remain for the exercises after the mass to bring some lunch. The past history of old St. Dennis' church will be reviewed, and the whole affair will be very interesting. Let no one be absent.

MRS. MARY T. BARRY PASSED AWAY IN S.F.

Mrs. Mary Theresa Barry, a former resident of Redwood City, passed away suddenly at her apartments in San Francisco Friday of last week. She was ill but a short time. The interment took place at Holy Cross cemetery, Menlo Park, last Monday.

Mrs. Barry was born in Monterey when her father was there as a member of the General Fremont party. Fremont and his cohorts later came up the peninsula and for a time located on the Selby tract. The general purchased the tract and John McEvoy father of the deceased, purchased the adjoining lands afterwards known as the McEvoy tract. The general lost the property some time afterwards, but McEvoy held on to his lands which are now very valuable. Mrs. Barry attended the local grammar school and in the seventies married Edward Barry, a promising young lawyer of Redwood City who in the latter seventies was elected district attorney of San Mateo county on the Workingmen's ticket. He died in office when about to launch with a brilliant career.

Mrs. Barry taught school at Menlo Park for a number of years, but many years ago took up her residence in San Francisco. She is well-remembered here both as a young girl and a woman of mature years. Mrs. Barry was beloved by all who knew her. She is survived by two sons, Edward Barry of Redwood City and Frank Barry of San Francisco, also three brothers, P. H. McEvoy of Menlo Park, Frank McEvoy of Palo Alto and John McEvoy of San Francisco. The late Philip McEvoy, who was sheriff of San Mateo county at the time of his death, was also a brother.

He was a brother of the late Andrew Neuman, a pioneer of Woodside who died a short time ago. Lile T. Jacks is the attorney for petitioner.

W. H. LIPP IS SERIOUSLY SICK IN THE HOSPITAL

W. H. Lipp, was removed to the Huling sanitarium during the week suffering from a heart affection from which he has been troubled for some time. Dr. J. H. P. Dykes is attending him. The doctor gives up all hope of his recovery. Late yesterday afternoon the news came from the hospital that he was sinking rapidly and would not survive the night. He is unconscious and his family is gathered about him awaiting the end.

Mr. Lipp is a pioneer of Redwood City coming here in the early seventies.

William Henry Lipp was born in Roxbury, Franklin county, Pennsylvania, October 29, 1847, a son of Christian Lipp, who came to California in 1849, and for three years engaged in mining and prospecting in California and Nevada. He became interested in a colonization scheme in Honduras, and took his wife and family there, but the project proved a failure. After the death of his wife he returned to the east and purchased a farm in New Jersey, upon which he lived until his death, December 4, 1903 at the age of 55 years. At the age of five years William H. Lipp was brought to California by his mother, sailing around the Horn in a sailing vessel, in October, 1852, reaching San Francisco, where they were joined by the father. He was reared in San Francisco until 1859, when he accompanied his parents to Honduras, and after his father's return to the east he came back to San Francisco and was engaged in various occupations until 1871. He then became a clerk for Hanson, Ackerson and company, of San Francisco, with whom he remained for seven years, the last four years of that time having charge of the firm's interests in Redwood City. He then became connected with the firm of Duff and Doyle, of Menlo Park, and while there was made deputy clerk in the recorder's office at Redwood City, holding the position for three years. Engaging in the butcher business with Thomas Hind, under the firm name of Hind and Lipp, he continued thus engaged until 1886, when he sold his interest to his partner and purchased the ice business of B. Ramos, which was the first plant of its kind to be established in Redwood City.

Mr. Lipp retired from active participation in the busy affairs of life, in 1899, handing the control of his business over to his son, William H. Lipp, who is the present manager of the ice business.

THE WEEK'S EVENTS IN LOCAL CIRCLES

Local milk dealers have raised the price of milk. The new schedule goes into effect on October first. After that date the price will be 15 cents per quart instead of 14 cents. Dealers say that they must charge that figure owing to the high cost of production.

County Surveyor George A. Kneese was called to San Francisco on Thursday to be at the bedside of his father, George W. Kneese, who was severely injured at the Union Iron Works where he has been employed for some time. His right foot was badly crushed by the falling of a pile of crushed hyalite bars. Mr. Kneese was immediately taken to a hospital. He will suffer no permanent injury. Mr. Kneese is a former resident of South San Francisco.

Mrs. Julia Roos is erecting a neat seven-room cottage in Redwood Highlands which she will occupy when finished.

D. W. Williams, wife and young son will motor to the southern part of the state leaving here on October seventh. They will visit all the important places in the south land before returning. They expect to be away for three weeks.

The football team of Sequoia High School defeated a team from the Warren school of Menlo Park on the local gridiron on Wednesday afternoon by a score of 15 to nothing. It was a spirited contest from beginning to end. The local players showed the results of their active practice.

The duck season opens on October 16. The bag limit is 25 a day or 50 a week. On November 15 the quail season opens in the county. The limit is 15 a day or 30 a week. The rabbit season opens on November 15. The bag limit is 15 a day or 30 a week.

Two state inspectors will be at the court house yard on next Monday evening at 8 o'clock to inspect lenses on automobiles and give instructions under the new vehicle act as to the use of lights. All the county and municipal traffic officers will be present. It is urgently requested that all motorists be on hand to listen to the inspectors.

The Peninsula Dock and Warehouse Company's property at the foot of Main street has been sold to the Frank Tanning Company. It will be used in connection with the latter's big plant adjoining. The dock and wharves were built by Walker C. Graves at a cost of \$30,000. Mr. Graves for a time conducted a shipping business at this point, having steamers come daily from San Francisco to take freight from all points of the peninsula to the city. He did a thriving business for a while but owing to other large interests in which he was engaged, he was unable to give the local affair his entire attention and had to give it up. The property has been idle for some time.

Robert Chatham, ex-sheriff of San Mateo county but now a resident of Mendocino County where he has a large stock ranch near Willetts, called on friends in Redwood City on Thursday. Mr. Chatham has many friends on the peninsula who are always glad to greet him.

A feature of the Mount Carmel Church Fair will be a big food sale to take place on October 4, beginning at 1 o'clock. All kinds of home cooked food will be offered for sale.

Redwood City is rapidly becoming the mecca for home seekers of the state. During the week several prospective buyers were here from the San Joaquin Valley seeking homes here. Many from that locality have already located here. They want to get away from the severe climate of the valley and locate in the health-giving ozone of San Mateo county.

Frank Bryant, of the Redwood City Aviation field, returned from a week's visit to Fresno yesterday where he was engaged in carrying passengers from the raisin belt to adjoining towns. The people there are very enthusiastic about the pastime of flying.

POPULAR YOUNG COASTSIDE COUPLE WED IN SAN JOSE

Mattel, a prominent young farmer of Pescadero. The bride is the eldest daughter of Mr. and Mrs. John McKay, formerly of San Gregorio but now residing in San Jose. After a short honeymoon, the young couple will return to Pescadero to make their home.

REYNOLDS SENTENCED FOR RECKLESS DRIVING

Thomas Reynolds, charged with reckless driving on the highway at San Bruno some weeks ago, was sentenced by Judge Griffin on Thursday to pay a fine of \$100. Reynolds also filed an affidavit admitting that he was a reckless automobile driver and requesting the motor vehicle department at Sacramento to deny him a license for the period of one year. He and a San Francisco policeman came to San Bruno while intoxicated and came very near injuring several persons. The policeman was fined \$25 by the San Francisco police commission and severely reprimanded. The charge against him here was dismissed.

AMERICAN LEGION ORGANIZED IN CO.

A post of the American Legion was organized at San Mateo on Thursday evening and another post is about to be formed at Burlingame. Before long a post will be established in every town of the county as there were men in the army in every section of the peninsula. It is to be a powerful application.

SISTER APPLIES FOR LETTERS

Evelyn Chesnut has applied in the superior court for letters of administration upon the estate of her sister, Margaret Wold, who died on February 18, 1910 at Burlingame. The estate consists of a parcel of land at Burlingame valued at about \$5000. The heirs at law are Eric Wold, husband, and the following children: Edmund Wold and Evelyn Wold.

REDWOOD CITY TO BE TERMINAL FOR THE LAWSON AERIAL COMPANY

The Redwood City Aviation School has been made the Pacific Coast terminal of the Lawson Aerial Navigation Company, according to Frank Bryant, manager of the school. The gigantic 26 passenger "Pullman of the Air" will arrive here in about three weeks.

The arrival of air passengers over the continent to Redwood City should be made a gala event by the people of this place.

When the transcontinental railroad was built and the first train came to San Francisco the event was duly observed by the people of the state. The east and west was connected by the railroad. The journey to the east could be made in five days. Now by the airline the time will be shortened to 36 hours. The first passengers over the air line should receive a rousing reception when they arrive in Redwood City. It will be an event worth celebrating.

SENATOR HIRAM JOHNSON RETURNS TO WASHINGTON

Senator Hiram W. Johnson of California returned to Washington this week, after a two weeks speaking tour in opposition to the League of Nations Covenant, in order to be on the floor of the Senate during the consideration of its amendment to give the United States a voting power in the League, equal to that of Great Britain. Administration leaders in the Senate do not conceal the fact that they fear the Johnson amendment more than any of the other proposed changes in the League Covenant, and the vote upon it will undoubtedly be the first crucial test of strength in the League of Nations fight. Senator Johnson's associates in the fight to Americanize the League greeted him with expressions of keen regret that the exigencies of the situation had compelled him to abandon even temporarily his transcontinental debate with President Wilson.

Telegraphic confirmation of the senatorial success of the Senator's meetings had poured into Washington from every city where he had spoken, and the effect of his itinerary has created a most profound impression. From Chicago to Minneapolis, following the President's "trail" through the middle west, the California Senator had the most remarkable series of public meetings in the recent history of the nation. Not since the celebrated Lincoln-Douglas debate of the Civil War era has the discussion of any national issue aroused such tremendous demonstrations of popular interest. In St. Louis, Kansas City, Des Moines, Duluth and Minneapolis, the largest cities which he visited, Senator Johnson spoke in the same auditoriums in which the President had appeared a few days previously, and in every instance the capacity of the building

was the sole limitation upon the size of the Senator's audiences. There were great overflow meetings at Chicago and Minneapolis, and in Kansas City, St. Louis thousands were turned away, but it was in point of enthusiasm that the great contrast was drawn everywhere between the meetings of Senator Johnson and President Wilson.

COUNTIES ROAD DATA

In the course of an interesting article on county road administration, the Taxpayers' Journal gives figures showing that in the six fiscal years ending respectively, June 30, 1913 and June 30, 1918, the counties of California, excluding San Francisco, expended \$84,100,815.95 on county roads and bridges.

An analysis shows that out of the total amount above stated, \$44,224,717.64, or 52.59 per cent was disbursed for road expense, which includes general overhead, administrative and maintenance costs. The sum of \$24,496,973.51, or 29.13 per cent of the total went into outlays for roads, which includes new construction and the reconstruction and modernizing of existing roads.

Bridge expense amounted to \$5,157,667.13, or 6.13 per cent of the total, and bridge outlays accounted for \$8,078,789.84, or 9.61 per cent of the total expenditure.

For other road structures, \$1,638,665.71, or 1.94 per cent of the total went for expenses, and \$504,062.12, or 0.60 per cent for outlays.

In response to questionnaires sent out, 21 counties reported 2,624.04 miles of paved roads of various largely oiled macadam. Four reported that their roads were "paved with gravel" and 16 reported that they had no paved roads. Thirty-eight counties reported 46,637 miles of dirt roads and three counties reported that they had no record of the number of miles of dirt roads. Sixteen counties failed to respond to the questionnaires.

The Taxpayers' Journal thinks it is interesting and significant to compare the results of six years of county road administration with what is promised by the state in return for the \$73,000,000 in highway bonds which have been authorized by the people.

The state had undertaken to build good modern highways, the main routes to be paved with concrete. The program covers two highways running from the Oregon line to the Southern borders, connecting county seats en route, in addition to 39 laterals covering approximately 2,600 miles. It will be interesting to observe how far the state gets with its program on the money at its command.

FATHER APPLIES FOR LETTERS ON SON'S ESTATE

Alexander Wilson has filed the last will and testament of James Lindsey Wilson, who died in France on September 26, 1918, from wounds received in battle. The will is dated September 18, 1917, just when the young man left for Camp Lewis to train. The petitioner, father of decedent, is made the sole legatee, although personal mention is made of his stepmother, Mrs. Clara S. Wilson, Marie W. Jenkins and Marguerite W. Jenkins. The estate is valued at \$1000. R. S. Gray and C. F. Tait are the subscribing witnesses to the will. Ross and Ross are the attorneys for petitioner who resides in this city.

BUILDER'S CONTRACTS FILED

The following builders' contracts were filed in the county recorder's office during the week:

Lange and Bergstrom agree to erect the Roosevelt school building at Burlingame for the school trustees of that district in 90 days for \$25,000. Joseph Grimes agrees to do the plumbing, metal and tin work on the same building in 90 days for \$3850.

Ruogg Brothers agree to erect for James H. Ditton in 120 days a two-story frame residence and garage on Clark Drive and Burlingame avenue, San Mateo, for \$11,560.

OLD CLOTHING NEEDED FOR SAN MATEO'S POOR

The work of the Social Service Commission is to try to rehabilitate the destitute. The county aims to feed and shelter the families until such time as they may become self-supporting. The allotted funds are not sufficient to buy shoes and clothing necessary for the families.

The Commission has a room in the basement of the Court House, Redwood City, where clothing is fumigated and mended, and shoes repaired. A card index is kept of articles distributed and to whom.

We, therefore, appeal to all who have clothing to give, to send at any time by parcels post, address Social Service Commission, Court House, Redwood City. If bundles are large, telephone the Social Service Commissioner of the district, Mrs. Charles Woods, Palo Alto, 891-J, who will see that parcels are called for. Our need is as urgent as it is constant.

THE LOAF SEEMS BIG

when it comes from our oven. But just note how rapidly it will disappear when it appears on your table. You never knew before how big bread eaters your family could be. That's because our bread has a real flavor and toothsome texture. Try a loaf and you'll enjoy it as you never did before. Pies and Cakes.

THE UNIVERSAL CAR

Look out when having your Ford car repaired that the genuine Ford parts or materials are used. There are many "bogus" imitations, or counterfeits, so-called Ford parts of sadly inferior quality on the market. Be warned against them. Buy Ford parts and have your Ford car repaired by the authorized Ford dealer as this is the only way to guard against "bogus" parts. Bring your car to us for service. Come to us for Ford parts. Ours is an authorized Ford place.

SAN CARLOS NOTES

Mrs. Fred W. Lippman left Tues-
day for a few days' visit with friends
and relatives in Oakland.

Miss Margie Wilms who has been a
visitor at the home of her aunt, Mrs.
Chas. B. Marvin for the past fort-
night returned to her home at Lodi
last Wednesday.

Mrs. R. J. Shields and Miss Sophie
Gleichen left last Monday for a ten
days' outing at Brookdale.

Mr. John Marchant who has been
mining at Dutch Flat the past sum-
mer is here for a visit with his son,
J. A. Marchant.

The rush of building new homes
here has forced contractor Hollen-
beck to take one of his foremen,
J. P. Silva and a gang of nine me-
chanics away from work in Oakland
and bring them here to assist fore-
man Russell and his men to rush the
completion of the new homes and get
them in readiness for the owners to
move in.

From among the large influx of
new residents to San Carlos this
summer there hasn't been two fam-
ilies by the same name nor with any
near approach to a similarity. We
now have only two Jones families and
two families with a similarity of
names; R. P. Hurlbut and A. C. Hul-
bert, and hence no excuse for our
postmaster to confuse the mail when
addressed to San Carlos proper and
not some other San Carlos in some
other hemisphere.

San Carlos is to be infested with
witches and ghosts at the next Sat-
urday night dance given at the school
house September 27th. They are to
be of all creeds and all nationalities
and will flock in from all the country
round about; and will be as mercen-
ary as when they were with us in the
flesh, as they are going after all the
prizes in sight. Come, everyone of
you and see if you can't beat them to
it.

Mrs. Homer Hunt of Oakland in
company with her mother, Mrs. Ida
S. Houtalling was last week for
a visit at the Cowgill home and
with other friends in this section be-
fore leaving for Healdsburg. Where
Mr. Hunt is to go into the stock
raising business. Mrs. Hunt having
grown up in the city expects to en-
joy the delightful life of back to the
country.

The Cowgill's have rented a cot-
tage for postmaster convention week
at Santa Cruz and will take with
them as their guests Miss Mary
Maury, Mrs. Cowgill's sister who is
visiting here from Medford, Oregon;
and Mrs. Ida Houtalling from Oak-
land. Mr. and Mrs. Thos. B. Nichols
of the Mayfield News will also be
guests of Uncle Sam's servants.

Postmaster Cowgill received the
following letter relative to the slight
increase in salary for the post-
masters:
Washington, D. C., September 15,
1919.—Mr. John E. Cowgill, San
Carlos, Dear Mr. Cowgill: Your let-
ter of the 10th inst. is received.

reply will say that I was very much
pleased to learn that you approved
my course while handling the Min-
imum Wage Bill. There was nothing
else for me to do as the postal em-
ployees were insisting upon general
legislation, which I hope they will
get in a substantial way in the near
future. Some substantial increases
will have to be made in the Madden
Bill in the Senate and steps are be-
ing taken to bring that about.

Very truly yours,

ST. MATTHEWS' ALUMNI ELECT NEW OFFICERS

An enthusiastic meeting of the
alumni of St. Matthews' school was
held Monday evening at the States
restaurant in San Francisco, where
between forty and fifty former stu-
dents of the school gathered to talk
over reminiscences of happy days at
the military academy and to hear
those who served in the war recount
some of their experiences.

Among the speakers at the ban-
quet were Lieutenant Burdette A.
Palmer of the aviation corps; Lieut-
enant David G. Martin of South San
Francisco, who returned recently

MENLO PARK NEWS OF ALL SORTS

Doings at Peninsula Garden Spot As Told in Breezy Style By Our Reporters

Camp Fremont has passed into memory. This week the utilities department under Lieutenant Jones turned over the department to Major Dole in charge of the camp. All workmen were discharged. Only eight civilian guards remain at the camp.

On Friday evening, October 3, Menlo Park, N. D. G. W. will give a card party at the Moose Club. Game starts at 8 o'clock. Admission 25 cents.

On October 9 Grand Vice-President W. I. Treager will pay an official visit to Menlo Park, N. S. G. W. All members are requested to attend. Mr. Treager is a fluent and eloquent speaker.

The Menlo Park Horticultural Society is preparing to give a flower show in the assembly hall of the grammar school on the first week in November. Only cut flowers will be exhibited, chrysanthemums, dahlias. This exhibit is to be the best ever seen in the county.

M. P. Fitzpatrick passed away in San Francisco on Sunday last following a long illness. He was the father of Thomas Fitzpatrick of this place. Mr. Fitzpatrick was an old-time politician of San Francisco holding many positions of prominence during his long career. For many terms of the state legislature he was clerk in that body at Sacramento. For some years and up until the time of his death, he held the position of inspector in the engineers' department of the city government under City Engineer O'Shaughnessy. He was a faithful worker, an honest upright man who had many friends. He was a native of Ireland, aged 73 years. The interment took place at Holy Cross cemetery, Colma, on Tuesday last. Mr. Fitzpatrick is survived by one son and six daughters.

The Menlo Park Fire Department is in receipt of a very generous check from J. Henry Meyer in recognition of the services of the department in the recent fire at his home. Upon the suggestion of the Fire Commissioners and the unanimous vote of the men of the Fire Department, at the meeting last week, it was decided to use this as the nucleus for a Relief Fund for the benefit of sick and injured men of the Department. The fund is to be administered by a standing committee of four appointed yearly—two from the Commissioners and two from the Fire Department. It was also voted at this meeting of the Fire Department to transfer \$200 in liberty bonds now in the treasury to this fund. It is hoped that other future donations of this community will raise the fund to such proportions that a fuller insurance of the men against accident, sickness or loss of life may be entered into. It was voted that a letter be forwarded to Mr. J. Henry Meyer by the secretary, expressing to him the deep gratitude and appreciation of the Fire Department of his most generous gift.

Mr. and Mrs. E. W. Hopkins will close their home on Monday next and open their city home for the winter.

The Moose Society that flourished during the existence of Camp Fremont when hundreds of members joined the organization from the camp, is soon to disorganize. A committee from the Native Sons and Ancient Order of Foresters has been appointed to purchase the furnishings of the Moose Club in the Menlo Park hotel. The furniture is costly and elaborate. If a figure can be agreed upon it will be bought, and the club will become the headquarters of both societies.

A. E. Albertson, rancher of Newman, has bought the Runnymede farm of H. H. Reynolds.

Mrs. James Logan entertained a number of out-of-town friends at a week-end party at her home on the highway. Guests were present from Napa, San Francisco and Sacramento.

On Sunday all enjoyed a motor trip through the peninsula.

Charles Hodges, whose father and mother were married in Menlo Park years ago, was married in New York to Miss Marjorie Green of that city on September 13. Mr. Hodges is a graduate of Stanford and entered the army as a first lieutenant. The young couple will reside at 3 University Place, New York. The groom's father is the well-known architect of Palo Alto. His mother was formerly Miss Charles, daughter of the late Dr. Charles who practiced medicine here at one time.

The John Doyle house on Pine street has been leased to J. S. Blanton with the A. Schilling and Company of San Francisco.

The road running from the Highway to the Middlefield road and past the Occidental Dairy at Atherton is being improved. It is to be turfed and rock and oiled. Frank Johnson, foreman of the Third Road District, has a number of men and teams at work to complete the contemplated improvements before the rain sets in. This thoroughfare heretofore unused is becoming a popular road as motorists find it a short cut to the main highway.

"Flip" the small Boston bulldog of brindle color owned by Mrs. G. L. Payne of Menlo Park, which has been missing for some time, is still being sought by his mistress. The dog has been the subject of frequent "lost" ads, which have brought to the owner word that the animal has been seen in Menlo Park. Mrs. Payne is hopeful of running across the dog herself. She offers a reward for its return.

DOCTOR J. L. ROSS SELLS HIS HOME

Doctor J. L. Ross has disposed of his attractive home on Phelps street to Ole Johnson of Woodside, who will move into the house on October first. Dr. Ross and his family contemplate a trip to the Grand Canyon of Colorado next month. On their return they will take apartments at Hotel Sequoia for the winter months. In the spring the Doctor will build or buy a home in Redwood Highlands. It will be a substantial residence in keeping with the surroundings. Miss Ross, is a Stanford student and hopes to entertain considerably during her college career.

PRATT-LOWE CO. WILL BE READY FOR NEXT SEASON

The Pratt-Lowe Preserving company will soon begin preparing for next year's canning season. The company has a large cannery at Santa Clara. Not long ago the concern purchased a block of land near the National Magnesia Works in the southern part of town. This is to be improved at once.

Within the next two weeks workmen will begin boring a well on the site selected, and this will mark the beginning of a new Pratt-Lowe Preserving company plant. The original company is of Santa Clara, where several plants are now operating.

The plans for the Redwood City plant call for an outlay of between \$200,000 and \$250,000.

THESE BIG LITTLE FOUR OF ELECTRIC FAVORITES ARE FAITHFUL SERVANTS

On-the-table electrical cooking has a novelty and charm for all of the folks in every family.

With light housekeeping, it has changed the drudgery of daily life to delight. Even in the big household where there are servants there is nothing so cozy as a little meal cooked on the table, perhaps on Sunday evening, or when the cook has her day off.

These are the appliances which cook a dainty meal on the table right before your eyes.

THE ELECTRIC TOASTER
THE ELECTRIC GRILL
THE ELECTRIC EGG BROILER
THE ELECTRIC WAFFLE IRON

Ask your dealer to show you one of them, and it is ten to one that you will buy all four, and learn the joy of dining well, independent of the kitchen. Of course, have a percolator.
